Description; St George Legion has been around for eighty years. During the war we had an Army training camp at Utopia and an Air Force training camp at Pennfield. The troops were from Canada, Australia, New Zealand and the UK. They all trained here.

We have many pictures of our service men and women on our walls and in our Memorial Room. We also have a grave Memorial in our cemetery for the pilots who lost their lives while training to fly in Pennfield. In honor of the troops who lost their lives during the war a Memorial has been recently put at the Pennfield Airstrip.

We are a small legion of 61 members. We will be hosting a Ham Supper with all the fixings, blueberry cheese cake for dessert. We have a country band called Running Out Of Time. They will have and open mic for anyone who wants to try out their talents.

The cost of the supper will be \$30.00. We will have the bar open with cash payments only.

**Band: "Running out of Time"  
(Country & Western)**
